

We give new meaning to the phrase “Awesome Sauce.”

Our lineup of bold flavors are designed to make your favorite foods even better. We make our specialty sauces with fresh, quality ingredients including horseradish grown in our own fields. Whether you're grilling, dipping, or spreading, our ready-to-serve sauces will add a special touch to all of your family recipes.

SRIRACHA SAUCE

A spicy chili kick with a tangy, creamy goodness complements fish tacos, sashimi and works great as an ingredient.

HORSERADISH SAUCE

The punch of fresh horseradish with a tart creaminess makes this sauce a favorite for traditional roast beef. Try it as a sandwich spread or a dip for veggies.

WASABI SAUCE

Blending delicious elements from eastern and western cuisine, our Wasabi Sauce will add a bright, smooth heat to grilled or baked fish and roast beef sandwiches.
